

The graphic features a background image of a large, modern shrimp farm with multiple rows of blue and white tanks. At the top, the text 'BLUE AQUA' is in large blue letters, followed by 'Sustain Our Future' in smaller blue text. To the right is a green circular logo for 'nature's hug'. Below this, the title 'SHRIMP FARM TOUR' is written in large, bold, black letters with a textured effect. Three circular images are arranged horizontally: the first shows two people in a blue boat with a yellow hat icon above it; the second shows a smiling child holding a shrimp; the third shows a plate of shrimp dishes with a '+Tasting' label and an arrow pointing to it. Below each image is a heading and a description. At the bottom center is the website 'www.natureshug.sg'.

Farm Tour Details

Join us on an exclusive tour of our shrimp farm and hatchery!

What to expect:

We will take you on a guided tour of a shrimp farm and hatchery. You will learn the A-Z of a super-intensive in-land shrimp farm while we walk you through the entire inner workings from farm to fork!

After the tour, enjoy a refreshing communal farm experience while we serve you our specially curated shrimp recipe tasters using the freshest shrimps harvested directly from our farm! (Think shrimps prepared 3 ways!)

If you can't get enough, harvest and bring home your own purchase fresh from the farm!
