

**SG Veg Farms Pte Ltd**

<b>Farm Tour Details</b>	<p>At SG VEG FARMS, we wish to deliver passion and knowledge to the community and also to the future generations on the importance of safeguarding our food security and the functionality of urban farming in Singapore.</p> <p>For the tour:</p> <ol style="list-style-type: none"><li>1. We will share an overview of Urban Farming (Hydroponics);</li><li>2. We will give participants a first-hand experience of harvesting our fresh produce, and the harvested vegetables will be packed for them to take home as part of their door gifts;</li><li>3. We will take participants on a tour around the farm, which will include photo-taking opportunities;</li><li>4. We will teach participants how to make their own DIY hydroponic systems to take home.</li></ol>
<b>Days &amp; Times Available</b>	Mondays to Saturdays (Please arrange the date and time with the farm directly.)
